

## English

This half term your child will be learning to:

### Grammar and Punctuation.

Children will have daily grammar revision sessions on topics children found difficult in the previous tests, alongside revision of other main topics within grammar.

### How can you help your child at home?

Please practise the spellings with your child at home and read with them at least 15 minutes a day. Please also ensure that your child completes any homework which is sent home.

## Maths

This half term your child will be completing revision about:

- Fractions and percentages
- Measurements
- Angles
- Statistics
- Co-ordinates
- Movement and position
- Place value
- Four operations
- Problem solving

### How can you help your child at home?

The best way to support at home is to do daily TTRockstars that has been set for your child and maths frame. Please ensure your child completes any maths homework which has been set too.

## Useful Dates and Information
